

# FIRESIDE CHAT ON CHARTING A MORE IMPACTFUL FUTURE FOR PHILANTHROPY

PEAK 2026

WE HAVE DIFFERENT LEVELS OF POWER AND INFLUENCE, BUT THE STORY WILL BE TOLD ABOUT WHAT EACH ONE OF US DID AT THIS MOMENT

WE TRY TO REMIND FOLKS THAT THEY HAVE POWER, THE RULES DO ALLOW FOR ADVOCACY, FUNDERS CAN BE LEGALLY FLEXIBLE

RULE

LAW

## RACHEL ROSSI

ALLIANCE FOR JUSTICE PRESIDENT

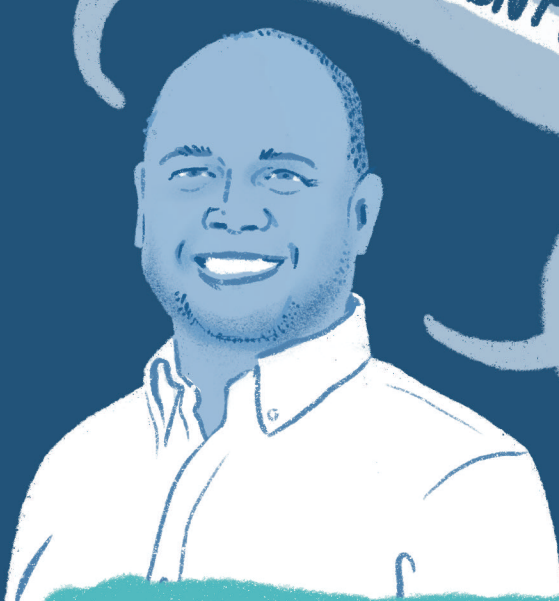

THIS IS NOT A BUSINESS AS USUAL ENVIRONMENT FOR PHILANTHROPY, OR AT LEAST IT SHOULDN'T BE

LET'S REMIND OURSELVES THAT FUNDERS' PRIMARY ASSET IS MONEY.

MONEY IS THE THING! THINK ABOUT STABILITY FOR YOUR GRANTEEES. THINK ABOUT A 3-YEAR GRANT THAT PUSHES YOUR GRANTEE THROUGH THIS ADMINISTRATION TO THE NEXT

## KEVIN BOLDUC

ASSESSMENT AND ADVISORY SERVICES OF CEP VICE PRESIDENT

MORE ACTIVE LISTENING TO THE GRANTEEES SO YOU REALLY UNDERSTAND WHAT THEIR NEEDS ARE.

FOR PHILANTHROPY IN GENERAL...

WE HAVE TO BE BOLDER, WE NEED TO PUSH BACK HARDER. IT'S NOT REPORTED ENOUGH, BUT THE PUSH BACK IS WORKING!

FIGHT BACK

RESIST

## DR. RICHARD BESSER

ROBERT WOOD JOHNSON FOUNDATION PRESIDENT & CEO

THIS MOMENT THAT'S OCCURRING IN OUR COUNTRY REQUIRES US TO DO FAR MORE THAN WE'RE CURRENTLY DOING AND STRETCH OURSELVES IN NEW WAYS
