www.rogerspllc.com**INDEPENDENT AUDITORS' REPORT**

To the Board of Directors
Grants Managers Network, Inc.

We have audited the accompanying statement of financial position of Grants Managers Network, Inc. (GMN) as of December 31, 2010, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of GMN's management. Our responsibility is to express an opinion on these financial statements based on our audit. The financial statements of GMN as of December 31, 2009, were audited by other auditors whose report dated March 14, 2010 expressed an unqualified opinion on those statements. As discussed in Note 8, GMN restated its net assets to comply with certain accounting principles generally accepted in the United States of America. The effect of this restatement is discussed in Note 8 to the financial statements. The other auditors reported on the December 31, 2009 financial statements before the restatement.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the 2010 financial statements referred to above present fairly, in all material respects, the financial position of Grants Managers Network, Inc. as of December 31, 2010, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

We also audited the adjustments described in Note 8 that were applied to restate the December 31, 2009 financial statements. In our opinion, such adjustments are appropriate and have been appropriately applied.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental information included on page 11 is presented for purposes of additional analysis of the basic financial statements and is not required as part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the 2010 financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole. The supplemental information on page 12 was included in the 2009 basic financial statements, which were audited by other auditors whose report dated March 14, 2010 expressed an unqualified opinion on those statements.

Grants Managers Network, Inc.

Notes to Financial Statements
December 31, 2010 and 2009

1. Nature of Operations

Grant Managers Network, Inc. (GMN) improves grantmaking by advancing the knowledge, skills, and abilities of grants management professionals and by leading grantmakers to adopt and incorporate effective practices that benefit the philanthropic community. As the nation's only nonprofit membership organization devoted to grantmaking operations, GMN connects its more than 1,700 members to best practices and the collective knowledge of the field, innovative learning experiences, and peer-to-peer collaborations.

GMN was incorporated as an independent organization on September 2, 2005. GMN became a registered 501(c)(3) tax exempt organization in December of 2006.

GMN is governed by a Board of Directors, all of whom are elected by the membership for two-year terms.

In order to assist in meeting its goals and mission, GMN holds an annual conference; sponsors local meetings through its 13 regional chapters; publishes a newsletter, salary survey, and staffing guide; and manages an online knowledge community to connect members to each other and to resources that help them improve the efficiency and effectiveness of grant making.

2. Summary of Significant Accounting Policies

Basis of Accounting and Presentation

The financial statements are prepared on the accrual basis of accounting and in accordance with generally accepted accounting principles for not-for-profit organizations. Net assets are reported based on the presence or absence of donor-imposed restrictions in the following classes:

- *Unrestricted net assets* represent funds that are not subject to donor-imposed stipulations and are available for support of GMN's general operations.
- *Temporarily restricted net assets* represent funds subject to donor-imposed restrictions that are met either by actions of GMN or through the passage of time. There were \$28,000 and \$106,960 of temporarily restricted net assets at December 31, 2010 and 2009, respectively.

Grants Managers Network, Inc.

Notes to Financial Statements
December 31, 2010 and 2009

2. Summary of Significant Accounting Policies (continued)

Cash and Cash Equivalents

For the purpose of the statements of cash flows, GMN considers as cash equivalents all highly liquid investments, which can be converted into known amounts of cash and have a maturity period of ninety days or less at the time of purchase.

Revenue Recognition

GMN's policy is to report all donor-restricted grants and contributions (which include sponsorships) as an increase in unrestricted net assets if the restrictions expire in the year in which the contributions are recognized. All other temporarily donor-restricted contributions are reported as increases in temporarily restricted net assets. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

Revenue from conference and other program fees are recognized as revenue when the events or programs are held. Deferred conference fees represent advance payments received applicable to future periods.

All other revenues are recognized when earned.

Fair Value Measurements

GMN follows Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, for financial assets and liabilities. This standard establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and liabilities and have the highest priority. Level 2 is based upon observable inputs other than quoted market prices, and level 3 is based on unobservable inputs. Accordingly, this standard currently had no impact on GMN's financial position for the years ended December 31, 2010 and 2009.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Grants Managers Network, Inc.

Notes to Financial Statements
December 31, 2010 and 2009

2. Summary of Significant Accounting Policies (continued)

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the accompanying statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Subsequent Events

In preparing these financial statements, GMN has evaluated events and transactions for potential recognition or disclosure through April 21, 2011, the date the financial statements were issued.

3. Concentration of Credit Risk

In the normal course of operations, GMN maintains cash deposits with major financial institutions which from time to time may exceed federally insured limits. Management periodically assesses the financial condition of the institutions and believes that the concentration risk is minimal.

4. Property and Equipment

Property and equipment and accumulated depreciation consist of the following at December 31:

	<u>2010</u>	<u>2009</u>
Furniture	\$ 2,419	\$ 2,419
Equipment	<u>4,474</u>	<u>4,474</u>
Total property and equipment	6,893	6,893
Less: accumulated depreciation	<u>(6,893)</u>	<u>(6,893)</u>
Property and equipment, net	<u>\$ -</u>	<u>\$ -</u>

Grants Managers Network, Inc.

Notes to Financial Statements
December 31, 2010 and 2009

5. Commitment and Contingency

Hotel Commitment

GMN holds meetings at various hotels throughout the United States. These events are contracted with the hotels years in advance. In the event that the Organization cancels its agreements with the hotels, it can be held liable for liquidated damages up to the amount of lost profit less the hotel's mitigation, depending upon the date of cancellation.

Grants Contingency

GMN receives several grants from private foundations. Such grants are governed by various guidelines and contractual agreements and are subject to audit or review by the applicable funding source that could result in requests for reimbursements for expenditures that are not allowed. Therefore a contingency to refund amounts received in excess of allowable costs exists. Management is of the opinion that no material liability currently exists.

6. Retirement Plan

Effective January 1 2010, GMN established a 401(k) profit sharing plan. All employees are eligible to participate in the plan after they meet certain eligibility requirements. GMN matches the employees' contributions by contributing 100% of the first 3% of the employees' compensation. Additionally, GMN may make discretionary contributions to the plan. Contribution expense totaled \$266 for the year ended December 31, 2010.

7. Income Taxes

GMN is exempt from payment of taxes on income other than net unrelated business income under Section 501(c)(3) of the Internal Revenue Code (IRC). For the years ended December 31, 2010 and 2009, there was no unrelated business income and, accordingly, no federal or state income taxes have been recorded.

Effective January 1, 2010, GMN adopted the guidance on the income tax standard regarding the recognition and measurement of uncertain tax positions. The policy prescribes a recognition threshold and measurement principles for the financial statement recognition and measurement of tax positions taken or expected to be taken on a tax return that are not certain to be recognized. The adoption of this standard had no impact on GMN's financial statements.

Grants Managers Network, Inc.

Notes to Financial Statements
December 31, 2010 and 2009

8. Restatement

GMN has restated its December 31, 2009 statements of financial position and activities to reflect certain contributions that had previously been recognized as deferred revenue to be in compliance with generally accepted accounting principles. The effect of this change increased temporarily restricted net assets as of January 1, 2009 by \$133,297; decreased the year ended December 31, 2009 change in net assets by \$26,337, and decreased deferred revenue at December 31, 2009 by \$106,960.
